WORK EXPERIENCE

Microsoft

AI Azure intern

13 May, 2025 - 13 June, 2025

- Gained hands-on knowledge of AI concepts, machine learning, NLP, and responsible AI principles.
- Understood how to use Azure ML tools to train and test simple models, which helped me in building my credit card fraud detection.
- Applied concepts to build and deploy scalable ML models on the cloud

EDUCATION

Malla Reddy Engineering College For Women

Bachelor of Technology (Computer Science and Engineering) - 9.09

2023 - 2027

PROJECTS

Ground Water Level prediction Using Hybrid ANN [🔗](#)

- Developed a predictive model to estimate groundwater levels using a Hybrid Artificial Neural Network (ANN). The model combined traditional time-series analysis techniques with neural network architectures to capture both linear and non-linear patterns in the data.

Credit Card Fraud Detection Using Machine Learning [🔗](#)

- Built a machine learning model to identify fraudulent credit card transactions by analyzing historical transaction data. Applied data preprocessing and feature engineering techniques to handle class imbalance and improve model performance.

Dialysis Scheduling and Slot Allocation Using Machine Learning [🔗](#)

- Developed a machine learning-based dialysis scheduling and slot allocation system that intelligently assigns patient appointments by considering priority, treatment duration, and machine availability, helping reduce waiting time and improve overall scheduling efficiency in dialysis centers.

SKILLS

- Languages: C, Python, Java, HTML, CSS, JavaScript
- Frameworks / Libraries: React, Node.js, Django, Streamlit, Scikit-learn, Pandas, NumPy, Matplotlib, Seaborn
- Cloud / Database / Tech Stack: MongoDB, MySQL, Git, APIs, Azure, Android Studio

CERTIFICATE

Cisco Networking Academy – Python

Cisco Networking Academy – Advanced

Cisco Networking Academy – Cybersecurity

Cisco Networking Academy - Networking

Oracle Cloud Infrastructure 2024 Certified AI Foundations Associate

Oracle Cloud Infrastructure 2024 Certified Foundations Associate

Oracle Cloud Infrastructure 2024 Data Certified Foundations Associate

Oracle Cloud Database Services 2025 Certified Professional

Oracle Cloud Infrastructure 2025 Certified DevOps Professional

Microsoft Azure Internship – Microsoft Student Foundation (Hands-on AI, ML, LLMs, Generative AI, Azure
